Dear Sir or Madam:

Effective immediately, Fairmont General Hospital wishes to change the designated Radiation Safety Officer from Joseph R. Migaiolo, MD to **Mark Perna, MS, DABR**. His qualifications are:

- \* Certified as Diagnostic Radiology and Medical Nuclear Radiological Physicist, & president of Perna Health Physics, Inc. of Scottsdale, Pa.
- \* Radiation Safety Officer for NRC License # 47-16259-01 for Monongalia General Hospital of Morgantown, WV
- \* RSO at other facilities in West Virginia & Pennsylvania.
- \* He has been the Consulting Physicist for this facility since March 2000.

Mr. Perna has inspected and advised our Nuclear Medicine and Radiology Departments, instructed in NRC medical use revisions, provided training for Iodine-131 Therapy and Prostate Brachytherapy programs, provided training for various hospital units, and has been an essential member of the quarterly Radiation Protection Committee meetings at Fairmont General since 2000.

With the agreement of the Medical Director of Radiological Physicians Associates & previous RSO John Leon, MD and outgoing RSO Joe Migaiolo, MD, the consensus is our easily accessible Physicist would be an appropriate and timely choice.

Thank you for your consideration. For any questions, the contact person is Sandie Wells, Chief Nuclear Medicine Technologist, at 304-367-7237.

Albert Pilkington III  
President and CEO
