Dear Dr. Muller-Runkel:

This refers to your letter dated January 4, 2006, requesting an amendment to your NRC license No. 13-02047-02 and to our telephone conversation on May 17, 2006. During the telephone conversation, you suggested that we void your request at this time to allow you more time to gather the information necessary to add a new authorized user to your NRC license. Therefore, we will void your request at this time without prejudice to resubmission.

TO: License Fee Management Branch

FROM: RIII - James R. Mullauer

SUBJECT: VOIDED APPLICATION

Control Number: 315276

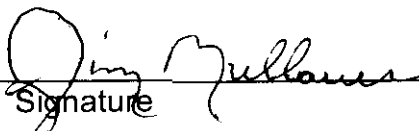

Applicant: Saint Margaret Mercy Healthcare Centers

License Number: 13-02047-02

Docket Number: 030-01602

Date Voided: 5/17/06

Reason for Void: The reviewer spoke to R. Muller-Runkel, Ph.D, RSO on 5/17/06 to discuss the status of their amendment request dated January 4, 2006. The amendment was to add a physician to the license. The reviewer faxed the information that was needed for this amendment on March 27, 2006, and called on May 1, 2006 and May 17, 2006, to determine the status of the preceptor information concerning this physician. The RSO informed the reviewer that she was unable to obtain the preceptor form from the physician in a timely manner. The RSO advised the reviewer that the request should be tabled until such time that the needed information is obtained. Therefore, this licensing action is voided.
