Dear Mr. Courtemanche:

As per our phone conversation on May 25, 2006, I am forwarding the following requisites per your request;

1. Nuclear Diagnostic Products license # 29-30500 has never possessed, used or open any unsealed Licensed Material with half-life of 120 days or greater.
2. Nuclear Diagnostic Products, license # 29-30500 has never opened any licensed by-product material identified under 10 CFR 31.11
3. During the procurement of Brachytherapy sources identified in 10 CFR 35.400 for its customers, Nuclear Diagnostic Products has never opened or caused to become unsealed and handled all such sources in accordance with the manufacturers radiation safety and handling instruction. Copies of manufacturers leak test certificates are on file.
4. Nuclear Diagnostic Products has never possessed or used any by-product material listed in 10 CFR 35.500
5. Sealed Sources listed in 10CFR 35.65(a) have been transferred to our licensed premises located at 101 Round Hill Drive Rockaway NJ 07866. Leak tests were negative and are on file.
6. All Depleted Uranium were transferred to licensed premises located at 101 Round Hill Drive, Rockaway, NJ 07866.

101 Roundhill Drive
Rockaway, New Jersey 07866
