Summary:	<p>Ms. Schenk left a message on my voice-mail that she had just got in from a trip and had found my message on her voice-mail. The Beta plates have been in storage for awhile and she wanted to know what had to be done to put the licensee back in compliance.</p> <p>11:05 I returned the call and left a voice-mail for her to get back in touch with me.</p> <p>15:30 I spoke with Ms. Schenk. She indicated that the source has been in storage since the previous RSO had retired in June 2005. The last person listed on the license to leave left in July 2005. The person who normally uses the source has had extensive training in its use from the previous RSO as has she. Ms. Schenk indicated that she would fax in a request to amend the license next week and that it would be signed by senior management.</p>
