To: George Pavlonnis, Medical Physicist

This is in response to your amendment request, dated May 1, 2006, to add Della Leahy as an Authorized Medical Physicist (AMP). Della was recently listed as AMP on another license, so she can be added to yours on that basis. However, she was previously listed as Della Hutchinson (same as on the diploma you submitted).

Please provide documentation of the legal name change from Della Hutchinson to Della Leahy. You may fax this to my attention at 610-337-5269, referencing mail control 138853. You may wish to leave a voicemail or e-mail message to alert me that the fax has been sent.

As usual, we will ask you to assure that Della receives unit-specific and facility-specific HDR vendor or vendor-equivalent training before she independently performs the duties of AMP under your license.

Please send an e-mail to confirm that you received this message.

Thank you,
