ENERGY.SENATE.GOV

May 15, 2006

The Honorable Nils Diaz
 Chairman
 U.S. Nuclear Regulatory Commission
 Washington, DC 20555-0001

Dear Chairman Diaz:

On behalf of the Committee on Energy and Natural Resources, I would like to invite you to testify at the Committee's hearing on May 22, 2006 at 2:30 p.m. in SD-366 of the Dirksen Senate Office Building in Washington, DC.

The purpose of the hearing is to receive testimony regarding nuclear power provisions contained in the Energy Policy Act of 2005.

In order to allow time for Members to ask questions, please limit the oral summation of your written testimony to 5 minutes. Written testimony will be included in full in the Committee's printed hearing record.

Please provide the Committee with 50 copies of your testimony, as well as an electronic copy, 48 hours in advance of the hearing. Because of heightened security measures all envelopes and packages are screened and tested for contaminants prior to delivery to Senate offices, a process which significantly affects the timeliness of deliveries. Please refer to the attached guidelines to assist you with timely delivery of your testimony.

Should you have any questions, please contact Clint Williamson (202) 224-7556 or Steve Waskiewicz (202) 228-6195 of the Committee staff.

Sincerely,

Pete V. Domenici
 Chairman
