Other Discussion

The staff and the applicant discussed the staff's proposed questions regarding the April 13, 2006, Revision 6 to Dominion's early site permit application. The call was held to discuss the Draft RAIs with the applicant. The discussion was of a general nature and was intended to inform the applicant of the level of detail that the staff expected in the applicant's responses to our questions. The questions were in draft form at the time of this call but were issued formally on May 10, 2006, ADAMS Accession No. ML061290142. No regulatory decisions were made during the course of this call.
