I agree, let me know if you ever need me to assist in R-III.

Dana,

Thanks for the good feedback. I appreciate it and will make sure that Ken's efforts are recognized here.

Glad we could help. Personally, I think we should routinely do more of this as I think it can benefit both parties. Again, thanks for the positive feedback on Ken.

I'd like to express my thanks for the support provided by Mr. Kenneth Brooks and Mr. Alex Sapountzis during the Beaver Valley Special Inspection. They were both a definite asset and provided excellent input that contributed to the efficiency of the inspection. I look forward to working with them both in the future.
