Ken, are you going to be in the office next week? I'm going to try and get the BV SI report done and PGP it out to you. Did anything happen with the generic issues at the R111 sites?

Dana,

Here are my notes for the inspection. If you need more detail or have any questions please let me know.

Also, I wanted to thank you and Alex for making it a pleasure have assisted with this inspection. If you need any help in the future, do not hesitate to ask.

Ken Brooks
