SUBJECT

Control No. 315262 Re request to remove John Patrick Reinschmidt, M.D. as an authorized user (AU) and to add two AUs, Matthew G. Hudkins, M.D. and Matthew A. Hrastich, M.D. and to add 1LT Kevin S. Mattern as an Alternate (Assistant) RSO for License No. 24-15095-01.

SUMMARY

In our telephone conversation on 5-22-2006, I noted that the address on their license (Amendment No. 41) and the address used on our latest correspondence with them was not the identical. In response to my request for clarification as to how the name and address should appear on both the license and correspondence with them, 1Lt Mattern requested that it be documented as follows:

Department of the Army Commander USA MEDDAC ATTN: MCXP PMD RP 126 Missouri Ave., Box1232 Ft. Leonard Wood, MO 65473

ACTION REQUIRED

License reviewer to utilize the above information in processing current request for an amendment to the subject license.

Control No. 315262 Re request to remove John Patrick Reinschmidt, M.D. as an authorized user (AU) and to add two AUs, Matthew G. Hudkins, M.D. and Matthew A. Hrastich, M.D. and to add 1LT Kevin S. Mattern as an Alternate (Assistant) RSO for License No. 24-15095-01.

SUMMARY

In our telephone conversation on 5-19-2006, 1Lt Mattern related that it will take an undetermined amount of time to gather and submit the information needed (as detailed in our previous telephone conversation on 4-19-2006) regarding training/qualifications, to add either Dr. Hudkins or Dr. Hrastich to the license as authorized users and himnself as an Assistant RSO. Therefore it was mutually agreed that we proceed at this time with an amendment to the license, only dealing with that portion of the amendment request to delete Dr. Patrick Reinschmidt, M.D., as an authorized user, since he is no longer involved with the licensed activities. The licensee will submit the additional information regarding the training/qualifications of Drs. Hudkins and Hrastich and of 1LT Kevin S. Mattern as Assistant RSO at a later date under a new amendment request for the subject license.

License reviewer to utilize the above information in processing current request for an amendment to the subject license.

SUMMARY

In our telephone conversation on 4-19-2006, I related that the amendment request provided no documentation of any training or experience for any of the three individuals to demonstrate that they met the applicable qualifications as defined in 10 CFR Part 35 for the positions requested. I also requested that their training and experience be documented on NRC Form 313, following the guidance in Appendix E of NUREG - 1556, Vol.9, Rev.1 and submitted for our review/evaluation. I also noted that we use the designation of Assistant RSO rather than Alternate RSO. 1Lt Mattern agreed to find out if either Dr. Hudkins or Dr. Hrastich has been licensed as an AU on any other license for use of any material listed on the subject license, then to call me to determine how we proceed.

ACTION REQUIRED

Licensee to review and respond by telephone call as requested.
