Dear Bob:

On behalf of your friends and colleagues in the Office of State and Tribal Programs, we want to wish you the best in your retirement. We want to recognize your more than 33 years of exceptionally faithful service you have provided to the U.S. Nuclear Regulatory Commission (NRC) and especially to this Office in furthering our Federal State Liaison Program. Your work has consistently made a significant difference in enhancing Federal and State relations. You have continually excelled in developing and fostering a positive working relationship between NRC and the States. You are noteworthy in your high commitment to service at NRC, your readiness and willingness to serve State needs, and your dedication to high standards of quality. Your efforts have consistently resulted in unusually effective outreach to States to help them understand NRC's programs and to ensure State views were considered in NRC's decisions.

Although we are unable to join you for your retirement celebration, our thoughts are with you and we wish you much happiness and all the very best in your retirement.

Sincerely,

/RA/
