Re: License # 37-30048-01

To Whom It May Concern:

Wheatland Tube Company hereby requests termination of our license effective June 1, 2006. Due to lack of business, we are idling our Sharon facility. If business conditions improve and warrant our re-starting of the Sharon facility, we will advise you at that time. If you require any additional information, please do not hesitate to contact me.

Thank You,
