Software Release Notice
Acquired Software

1. Software Name: FLUENT	Software Version: 6.2.16

2. Software Function: Computational fluid dynamics

3. Summary of Actions:
X New Software   ❑ Update to Existing Software   ❑ Software Retirement

4. Software Installation

4a. Computer Platform(s):   PC   4b. Operating System(s): Windows
4c. Programming Language(s):

4d. Installation Testing:
X Passed   Performed by:_Pavan Shukla Testing Performed On: Property tag #3029

Description of Testing Performed: Ran test case from User Manual, documented in Scientific Notebook 704E.

4e. Archive Copy:
        X Enclosed   ❑ Not Available, Why:

Installation Performed by:Hollen Streit	Date: 3/1/2006

Remarks:

5. Software Assessment

Validation Status:
        ❑ Full Validation   ❑ Limited Validation   Date of Validation:
        X Not Validated, Explain: Validation report has been prepared and is in review as of 3/31/2006

Software User: Pavan Shulka	Date: 3/31/2006

Remarks:

6. Approval

Manager:	Date: 4-5-06

Remarks:

7. QA Verification

SRN Number: 385

Verified by:	Date: 4/5/2006

Remarks:
