Re: Request for Export License for India Contract.

To Whom It May Concern:

Baker Hughes Oilfield Operations Inc, dba Baker Atlas, hereby submits this request for a specific Export/Import license, pursuant to 10 CFR Part 110, to allow the export of Americium 241 Beryllium byproduct material which meets the encapsulated specifications of a Special Form Oil Well Logging source. The current contract these sources will be exported under requires the sale of stated sources on the license application to Oil & Gas Corporation Limited (ONGC) in India. Currently India is listed under 110.29 Restricted Destinations, and the appropriate fee has been included with the application according to the guidance of the NRC. As always if there are any questions, concerns, or additional information needed, feel free to contact me.

Regards,

**James K Elrod
Radiation Safety Officer
