| Summary: | <p>Dr. Borkowski left a message on my voice-mail requested extra time to respond to our letter dated May 8, 2006.</p> <p>I returned the call and was put in touch with the office manager. The office manager indicated that they were having difficulty getting in touch with the physician for his signature on an attestation statement. I informed the office manager that I could wait until July 10th for the attestation statement but that I would have to void the action at that time. If I should need to void the action, the licensee could resubmit the information citing the control number once it has the missing information. The office manager indicated that she understood.</p> | |
