The Honorable Dr. Nils J. Diaz, Chairman
United States Nuclear Regulatory Commission
Washington, DC 20555-0001

Dear Chairman Diaz:

Governor Jon S. Corzine recently appointed me as the State Liaison Officer for the United States Nuclear Regulatory Commission for the State of New Jersey. While I am pleased to participate, I would like to designate Paul Baldauf, P.E. as the Deputy State Liaison Officer. Since most State nuclear safety-related activities are performed in his program, he can assist me in keeping up with the day-to-day activities regarding nuclear regulatory safety and health matters.

Please send all State Liaison Officer notifications directly to him by either e-mail at paul.baldauf@dep.state.nj.us or at his mailing address, Radiation Protection Programs, P.O. Box 415, Trenton, New Jersey 08625-0415. He is available by phone at (609) 984-5636. Mr. Baldauf will keep me advised of these notifications on a continuing basis.

Thank you for the opportunity to continue to participate in this valuable program.

Sincerely yours,

Lisa P. Jackson
Commissioner
