RE: Amendment to NRC License  
Addition of and Removal of Authorized Users  
**NRC License No. 49-27532-01**  
**Facility Name: Evanston Regional Hospital**

Dear Jackie Cook:

In our previous amendment letter sent in March 2006, we did not request that you remove **Marvin J. Friedenber**g, M.D. from our license as an Authorized user.

Further, we did not request to add **William Bradley Hale, M.D.** as an Authorized User to our current NRC license.

Therefore, please remove Dr. Marvin Friedenber

g, M.D. as an Authorized User and add Dr. William Bradley Hale as an Authorized User as well as Radiation Safety Officer per our previous March 2006 amendment request.

Thank you for your cooperation. If you have any questions or require additional information, please contact Ben Quinton at 307-789-3636.

Sincerely,

A handwritten signature in black ink, appearing to be "Ben Quinton".
