Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Confirmation of no leaking sources at storage location	
Summary:	<p>The licensee requested to remove an authorized location of storage and use from its license and submitted the most recent leak test results. I called the licensee to discuss if they ever had any leaking gauge while the gauge was stored at the location. He stated that they never had any leaking gauges at any of their storage locations.</p> <p>I requested that he confirm this in writing for our documentation. He stated that he will fax a letter confirming this. I provided him with the control and the fax number</p>
