Dear Dr. McLaughlin:

Reference Final Report, Environmental Radiation Monitoring Report for License SUB-1435, Jefferson Proving Ground, Summary of Results for October 17-20, 2005 Sampling Event. After submitting the referenced report, the Army discovered that Appendix B (Draft Environmental Radiation Monitoring [ERM] Program Plan and Addendum) was unintentionally included. Since the Draft ERM Program Plan and Addendum have been officially withdrawn, please disregard Appendix B when evaluating the report. We have attached replacement sheets for the two pages in the report that have changed.

Please contact Ms. Joyce Kuykendall at (410) 436-7118, E-mail address: joyce.kuykendall@us.army.mil or Mr. Paul Cloud at (410) 436-2381, E-mail address: paul.d.cloud@us.army.mil if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Alan G. Wilson".
