<sup>1</sup> The schedule established by this order assumes that intervenors NIRS/PC have lodged the motion with the Licensing Board, as the caption to the pleading and its service list suggest. We note, however, that NIRS/PC in the conclusion to its motion asks that “the Commission” grant the requested stay. See Motion on Behalf of [NIRS/PC] for Stay of Initial Decision Pending Review (June 12, 2006) at 10. If NIRS/PC does seek a Commission ruling on its stay motion, it should immediately clarify its intent with an additional filing.

<sup>2</sup> Copies of this order were sent this date by Internet e-mail transmission to counsel for (1) applicant Louisiana Energy Services, L.P.; (2) intervenors NIRS/PC; and (3) the NRC staff.
