

Instructions for Comment Response to Draft Nuclear Sector-Specific Plan

The preferred method for submitting comments is by using the web based Comment Form, which ensures that your comments are directly and immediately entered into the database used to collect this information.

- Registering at the website:
 - Point your web browser to the website identified in the body of the e-mail you received transmitting the draft Nuclear Sector-Specific Plan. After registration, you can access the website at the following link: <https://comment.iac.anl.gov>.
 - Complete the registration form by entering commenter-identifying information; select organization type and “Nuclear” sector. You may edit any pre-entered information except your email address. Your zip code is required for receipt of your password. Select “submit.”
 - An email will be sent to the e-mail address provided containing a link to validate your account and retrieve your password and a link for site access to submit comments.

- Submitting comments:
 - Complete the comment form:
 - Comment type - select Administrative, Critical, Substantive, or General
 - Page and line number –identify location of text associated with the comment
 - Recommended change – provide text in/text out
 - Comment - provide general comment or justification for critical commentThe number of comments provided will be displayed as “You have provided “XX” comments.”
 - Select “submit” and a new comment form will be available; select “review comments” and all comments provided will appear; select “exit” if finished.
 - Select “edit” or “delete” to modify comments on comment review page; select “print” to print comments provided; select “Insert additional comment” to return to comment form to add an additional comment; or select “log out” if finished.
 - All submitted comment forms will be logged and imported into the Comment Database.

- If the website is not used, please use the attached comment form and mail comments to:
