Dennis--Ann is out today, and asked that I review this. It looks fine; we concur.

Thanks,

Ann:

Attached is the letter to the Agreement States. I used the letter from last year as the model. Would you please give it a read, and if it is acceptable concur. I would like to get the letter out today if possible so that the States have the maximum time during the comment period.

Thanks

Dennis

Dennis -

Attached is a memo that is being sent to Paul Lohaus regarding the fees for this year. The original memo and the Federal Register Notice are in the mail.

Thanks,  
Ann
