Summary:	<p>I left a message on Mr. Farris' voice-mail for him to get back in touch with me.</p> <p>14:15 Mr. Farris returned my call. I explained to him that this was a courtesy call because the license was coming due for renewal at the end of July and when the license was renewed in January 2006 there was missing information. The letter detailing what information was missing was sent to Karen Stewart on January 13, 2006. If the person working on the renewal application has any questions about the requested information from the NRC's letter, he may contact me and I will try to help him. Mr. Farris stated that he appreciated the call and would check and see who is responsible for the renewal application and if they were having any problems with the submission.</p>
