Subject: Beaver Valley Special Inspection Charter, version 2.wpd

Cheryl, here is the Beaver Valley Special Inspection Charter for next weeks inspection. John has reviewed and said to go ahead with the issuance. I've highlighted the issue date to be added and of course the cc list. Also, check the Exempt from Public Disclosure box to make sure all the right language is in there (just like End of Cycle letters I'm guessing). Thanks, any questions give me a ring,

Dana
