

PR 26
(70FR50442)

I am an Exelon Maintenance Mechanic and I am NOT in favor of the proposed changes to the fitness for duty procedure ! Requiring an employee to take 1 or 2 days off during an outage can cause more exhaustion due to the change in sleep routine !
These proposed changes are not necessary !

80

Sincerely, Anthony Taylor

Subject: Comment letter on FFD proposed rule

Van,

Attached for docketing is a comment letter on the above noted proposed rule from Anthony Taylor that I received via the rulemaking website on 6/15/06.
