SUBJECT: RECEIPT OF APPLICATION FOR AMENDMENT OF CERTIFICATE OF
COMPLIANCE NO. 9225 - ACKNOWLEDGMENT LETTER

Dear Mr Patko:

By letter dated May 26, 2006, NAC International (NAC) submitted a revised application in accordance with 10 CFR Part 71 for an amendment to Certificate of Compliance No. 9225 for the Model No. NAC-LWT package.

This letter acknowledges receipt of your application and informs you that the application appears to contain the necessary information to begin our technical review. We have established a schedule for the technical review of your amendment request. The schedule allows for the staff to issue a possible request for additional information (RAI) in August 2006. To meet the schedule, it is incumbent upon NAC to respond promptly and comprehensively to any RAI. If no RAI is needed, and based on the staff's evaluation, the amended Certificate of Compliance may be issued at approximately that time.

Please reference Docket No. 71-9225 and TAC No. L23982 in any future correspondence related to this licensing action. If you have any questions regarding this matter, you may contact me at (301) 415-8500.

Sincerely,
