Re. Control No. 138607

Dear Sir,

The enclosed is submitted in response to your request of May 30, 2006 regarding our license application. Please name Steven W. Walter, M.D. as an authorized user and as the RSO. A copy of the Corscan license listing Dr. Walter is enclosed. Kevin Mikielski, D.O. should be listed as an authorized user. We hope this will allow the license to be issued shortly.

Sincerely,

William A Esper, D.O.

Material and Use

35.100; 35.200

12. The Radiation Safety Officer for this license is Steven W. Walter, M.D.
13. In addition to the possession limits in Item 8, the licensee shall further restrict the possession of licensed material to quantities below the minimum limit specified in 10 CFR 30.35(d) for establishing decommissioning financial assurance.
14. The licensee is authorized to transport licensed material in accordance with the provisions of 10 CFR Part 71, "Packaging and Transportation of Radioactive Material."
15. Except as specifically provided otherwise in this license, the licensee shall conduct its program in accordance with the statements, representations, and procedures contained in the documents, including any enclosures, listed below. This license condition applies only to those procedures that are required to be submitted in accordance with the regulations. Additionally, this license condition does not limit the licensee's ability to make changes to the radiation protection program as provided for in 10 CFR 35.26. The U.S. Nuclear Regulatory Commission's regulations shall govern unless the statements, representations, and procedures in the licensee's application and correspondence are more restrictive than the regulations.
