Subject: Request for water sampling

123

Steve, I was contacted today by a [redacted] re: whether we could sample [redacted] residential well. [redacted] lives on [redacted] is concerned because of the potential for tritium contamination in [redacted] well.

Ex 6

[redacted] lives [redacted] and [redacted] phone number [redacted]

[redacted] also requested that [redacted] be allowed to attend today's public meeting. I passed along [redacted] request to the licensee.

Thanks....N

Nick,

Thank you. I was expecting that type of request. I don't think we will turn citizens down. But, let me ensure that we are not stepping over EPA's territory.

Steve
