Subject: Re: FYI: Tritium Issue - Congressional Briefing on Braidwood - Possible Press Release on Dresden

I do not know, let me ask Marty. [REDACTED] I am not the
Byron/Braidwood PM either. Mahesh is.

Does DORL have the lead for adding the Tritium issue to the briefing book. If so, please work with the HP Branch on this.

This topic will be added to the oversight hearing book. At the end of the e-mail chain is the briefing summary to Congressional staffers on Braidwood tritium issue.
