**Reference:** 1) NRC Docket No. 71-0804

2) Letter from BNFL Fuel Solutions to USNRC, "Notice of Company Name Change," BFS/NRC 06-001

Dear Mr. Brach:

In the Reference 2 letter, BNG Fuel Solutions Corporation (BFS) advised the NRC of a change in our parent corporation, BNG America, LLC, and of the pending acquisition by EnergySolutions, LLC. Effective February 27, 2006, BNG America, LLC, was acquired by EnergySolutions, LLC. BFS has continued to operate as a wholly owned subsidiary of EnergySolutions, LLC.

As part of a corporate identity change, effective on May 24, 2006, BFS changed its name to EnergySolutions Spent Fuel Division, Inc. (EnergySolutions SFD). EnergySolutions SFD continues to perform all quality-affecting activities under the NRC-approved BFS Quality Assurance Program. EnergySolutions SFD plans to submit a revision to the Manual of Quality Assurance for EnergySolutions Spent Fuel Division (QA Manual) to incorporate the company name change and corporate parent change; however, we will continue to operate under the current BFS QA Manual until such time as NRC approves the QA Manual revision.

EnergySolutions SFD also continues to perform the responsibilities of the Certificate Holder for all Certificates of Compliance (COCs) issued to the company under previous company names, including:

- Certificate No. 1007, Docket No. 72-1007, Ventilated Storage Cask (VSC-24)
