RE: Control #138658

To whom it may concern:

I'm writing to attest to Dr. Ronald Petrocelli's ability to fulfill the duties of Radiation Safety Officer (RSO) at Shamokin Area Community Hospital.

Dr. Petrocelli is currently listed as an authorized user on our license (#37-27825-01) for materials and uses listed in 10 CFR 35.100 and 35.200. He has achieved a level of radiation safety knowledge sufficient to function independently as a RSO.

Under my supervision and through his formal training, Dr. Petrocelli has had training in radiation safety, regulatory issues and emergency procedures relating the licensed activities of Shamokin Area Community Hospital.

If you have any further questions, please direct them to Mark Liddington, our consultant medical physicist at 717-291-9813.

Sincerely,

*D. Conca, M.D.*
