SUBJECT: Renewal of Permit 3-1199

Dear Ms. DeWald

The Department of Environmental Conservation has determined that your application for renewal is timely and sufficient for the purposes of Title 3 Section 814. Therefore your existing permit does not expire until the application has been finally acted upon by the Department.

We expect to be processing your renewal as soon as staff resources allow. If you have any questions, feel free to contact us at 802-241-3822.

Respectfully,

A handwritten signature in cursive script that reads "Carole Fowler".

This is acknowledgement that an application, as described below, was received at this office. This is not a determination of whether or not the application is complete. Your submittal has been given to Carol Carpenter who will contact you if additional administrative or technical information is needed to process your application.

The Secretary of the Agency of Natural Resources has adopted performance standards for permit and licensing programs administered by the Department of Environmental Conservation. The standard for review of an application in this program is 120 calendar days.

DEC processing time began with application receipt and will end with approval or denial of the application exclusive of time you use to respond to requests for additional information.
