**Subject: Comments Regarding Scope of the Environmental Review for the Pilgrim Nuclear Power Station's License Renewal Application- Federal Register Notice, April 14, 2006 (72 FR 19554)**

By unanimous vote, June 14, 2006, the Town of Duxbury Nuclear Advisory Committee, requested that it be noted that we support comments submitted to the NRC by Pilgrim Watch on June 12 and 14<sup>th</sup> on issues that should be included in the environmental review, on a site specific basis, of Pilgrim Nuclear Power Station's application to extend operations. These include but are not limited to: security; spent fuel pool accidents; health impact; monitoring; marine impact; low level radioactive (LLRW) waste storage, 2012-2032; buried waste on-site; emergency planning as it relates to the Severe Accident Mitigation Analysis, and adding a filter to the Direct Torus Vent System.

Thanking you for your attention, we are sincerely,

Rebecca J. Chin, Vice-Chairman  
Henry Chang  
Kevin Craig  
Mary Lampert, Chairman  
Millie Morrison  
Barbara Pye
