Donnie,

Can we get a telephone bridge line into this meeting?

Also, will NRC be making a transcript of this meeting, as well.

In follow up to our earlier discussion about getting a copy of AmerGen's reply to the RAI as discussed in the June 1 meeting:

- 1) If it is available prior to the June 22 meeting is it possible to clear its release to the public in advance of the meeting so that we might be better informed at the Q/A time provided to the public?
- 2) If AmerGen's reply to the RAI is not available to the public prior to the meeting, can you tell me if it will be provided as a handout to the public at the 06/22 meeting?

Thanks,
