Donnie,

As a follow-up to our discussion yesterday, I talked with LIS and obtained the Accession # for that previously submitted Teledyne report. As you suspected, it was in the archived section of ADAMS. My understanding is that the number is 9106240280. Rather than me sending that whole document along via e-mail, would you be kind enough to share this info with Hans in case he wants to look at that document? Thanks.

- John.
