Good afternoon,

The region would like to have a conference call tomorrow (Wed. 9/29/04) at 11:30am to discuss yesterday's reg. conference. They apologize for the time slot (it's during our lunch time), but that is the only time tomorrow that everyone on their end is available. Please let me know your availability. I will send an e-mail tomorrow morning with the TAC number and conference room.

Thank you,
Michelle
