Michelle;

Earlier, I had scheduled a conference call with Dave Loveless at 2.00PM EST tomorrow to discuss the Event Trees and HEPs with Gareth Parry and myself. I have no objections to expanding this conference call to include Bob Palla and Steve Unikewicz. Please set up the bridge number and location of the call so that we can all collectively support Region IV.

See-Meng.

Gentlemen,

In an effort to move forward with the process, Kriss Kennedy is asking for our participation in a conference call tomorrow afternoon with he, David Loveless, at et. al. An exact time has not been determined yet. We will be discussing the licensee's responses and additional material submitted over the last two weeks. I forwarded it to you in several different e-mails. The region is looking for you to weigh in on the discussion.

I will be sending a message tomorrow morning with the exact time and location of the call. If there is a time that you are not available tomorrow afternoon - please let me know. We will try to schedule to call so everyone is available.

Thank you,  
Michelle
