Dear Sir:

In our 6/29/06 letter responding to the NRC letter dated 6/2/06, we made a typographical error. In Attachment 1, page 4 of 4, item 2, third paragraph from the bottom of the page, the Change Request (CR) referenced as “2006 25” should be “2006 255”.

We apologize for any inconvenience this may have caused.

Please contact me on (910) 675-5656 if you wish to discuss this matter further.

Sincerely,  
Global Nuclear Fuel - Americas
