Thanks Anne. I definitely don't want to double up. If Pete's got it, I'll step back. I'll make sure Undine gets with Pete or Steve when she returns. Undine is the point person in OEDO for the Comm Plan.

Anne,  
Yes, Undine's out today. Is there a Braidwood Comm Team meeting today? If so, is NRR Projects participating? I will probably sit in with them if they are.

Thanks,  
Beth

I got a reply back from Undine - she indicated to contact you for R3 issues. Please see attached.

Hope all is finding you well. Is everyone preparing for the OEDO Holiday Party?
