Subject: Re: Braidwood Brief Update

OCA

OK to release

We are working on it - and should have it for you shortly.

Anne T. Boland, Deputy Director
Division of Reactor Safety
NRC Region III
630-829-9701

OCA

I contacted the staffers for Senators Obama and Durbin and Congressman Weller and they are all ok with doing the brief on Monday instead of today. I told them I would send out the updated PN as soon as it is final.

Thanks,
Raeann
