Stu: Just wanted to make sure you were aware of the following information also...may have pertinence, though related to SFP leakage.

✓ >>> Stuart Richards 12/02/05 3:23 PM >>> *NR*

Braidwood is presently dealing with a situation where tritium may have migrated off-site following events that occurred in the past. A PN was issued which provides details.

Congressional staffers were briefed on this issue today. *T*

Thanks
Stu
