The conflict I am trying to avoid is timing.

Do you plan to hold the conf call at the usual 3:00pm time?

If so, our meeting will be done, and I can just extend my reservation for the meeting room we are using. And, I can let Don Mayer and Bill Axelson know that they are welcome to stay and participate in the call from here.

Thanks,

Tim

I think we'll be OK...the purpose of the 3/23 call is to discuss the inspection report...answer any of their questions...

** High Priority **

Jim/John,

I just heard that NRC is going to be scheduling a stakeholder meeting on the SIT Report on 3/23.

FYI NYS Agencies have already scheduled a meeting with Entergy on 3/23 here in Albany, from 1:00 to 3:00.

Don Mayer and probably Bill Axelson will be here.

Can we work together to ensure that we don't have a conflict?

Thanks,

Tim
