Subject: RE: Sequence Cutsets

David,

I am reviewing the sequence table and have a question.
What is the Importance Column? Is the number listed the sequence core damage frequency (per hour), the delta cdf (per hour) or the delta cdp?

Thanks,
Glen

Glen,

Here are the top sequences and their respective probabilities.

David

David,

Kent and I would like to call you this afternoon to discuss the SW GW issue - fire in Crit SW GR 1F. Are you available at 3:30pm?
