Hi Kent,

I am available tomorrow morning at 9am or in the afternoon, any time after 1. Let me know what works. I'll plan on being in my office for that meeting.

David

I would like to discuss the latest risk information placed on the Docket for CNS regarding the GW/SW focused risk study.

Please let me know when you are available to discuss - no more than 30-40 minutes. Also a number to contact you, if not your regular office phone number.

Thanks.
