RECEIVED  
REGION I

Dear Sir/Madam:

Our responses to the violations specified in your letter of May 17, 2006.

- A. We have submitted under separate cover to Region I an amendment which states our new address and includes a diagram depicting the new location of the hot lab. During construction the hot lab was moved from outside the camera room to inside.
- B. We have leak tested all of our sealed sources and will resume the original schedule, i.e. March and September.

Thank you for bringing these deficiencies to our attention.

Sincerely,

  
James C. Guarino, M.D.
