Reference: Amendment of NRC License Number 55-17986-01
(Current Amendment Number 12)

RECEIVED
REGION 1
2006 JUN 30 PM 12:38

Dear Mr. McKinley:

Schneider Regional Medical Center is requesting that the referenced Materials License be amended as follows:

Item 12.B. The following individuals are authorized users for medical use as indicated:

Add: Dante P. Galiber, M.D. 35.100; 35.200; Oral administration of sodium iodide iodine-131 for imaging and localization studies; 31.11

Remove: Mark Kendall, M.D. 35.100; 35.200; Oral administration of sodium iodide iodine-131 for imaging and localization studies; 31.11

Dr. Galiber is a USVI licensed and board-certified nuclear cardiologist who has been in practice for over eight years. Supporting documentation for this request, including copies of Dr. Galliber's curricula vitae, drivers and medical licenses, certificates of the Certification Board of Nuclear Cardiology and the American Board of Internal Medicine, and nuclear materials-related training certificates, are enclosed.

Please contact me if you have any questions concerning this amendment request.

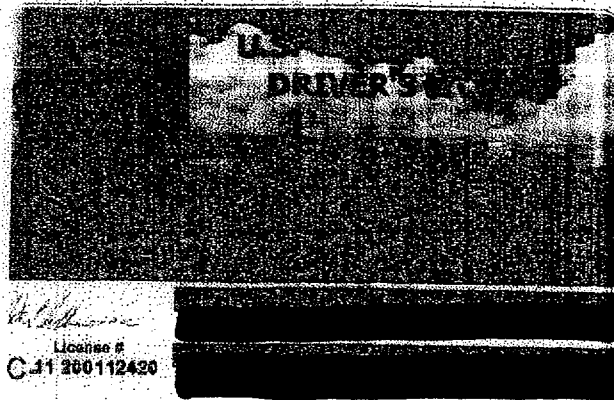

Charles L. Chipley III, MS, DABR
