Subject: Preliminary Final *Ground Water Compliance Action Plan for the Green River, Utah,
(UMTRCA Title I) Disposal Site*

Dear Mr. Henderson:

Copies of the Preliminary Final *Ground Water Compliance Action Plan [GCAP] for the Green River, Utah, (UMTRCA Title I) Disposal Site* were submitted for Utah Division of Radiation Control review on September 8, 2005. To date, the U.S. Department of Energy (DOE) has not received a response from the State. If a response is not received by June 30, 2006, DOE will assume that the State has no objection to the compliance strategy presented in the Preliminary Final GCAP.

The U.S. Nuclear Regulatory Commission is reviewing the Preliminary Final GCAP. Upon their concurrence, the GCAP will be finalized.

Please contact me at (970) 248-6073 if you have any questions.

Sincerely,

Richard P. Bush
