RE: NRC License No. 47-24809-01, Docket No. 03028938, Control No. 138870

To Whom It May Concern

Eastern Associated Coal recently requested a company name change as per our letter of May 16, 2006. After receiving the amended license we found an error in item number 2 of the license, in which the city was listed as Charlestown, WV 25324-1233 and the correct city name should have been Charleston WV 24324-1233.

Please make the necessary corrections to you records

Should you have any question, please contact Jim Crawford at (304) 340-1761 or Joe Benedict at (304) 247-8273

Respectfully Submitted
