SUBJECT

License No.: 13-02650-02

Control No.: 315342

SUMMARY

We have reviewed your letter dated March 17, 2006, and the fax dated April 21, 2006, requesting an amendment to your byproduct materials license and find that we need additional information as follows:

Nguyen Binh Tran, M.D. cannot be approved to use materials in 10 CFR 35.400 because his application does not support the request. He is listed on a referenced Illinois license dated May 31, 2005, which means he does not qualify under 10 CFR 35.57. Therefore, he must demonstrate that he qualifies under 10 CFR 35.490.

You may refer to 10 CFR 35 and NUREG 1556, Vol. 9, Section 8.7, Item 11, and Appendices B, D and E for assistance. These documents are accessible on our website at <http://www.nrc.gov>. Then click on the "Nuclear Materials" toolbar key and the "Medical Use Licensing/Part 35" option on the Quick List.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this record will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

ACTION REQUIRED

Submit the requested information within 15 calendar days (by June 16, 2006) by referencing control number **315342** to facilitate proper handling. If we do not receive an adequate response by this date I will issue other requests made in your correspondence above and consider the request for Dr. Tran to be voided until you can submit a written response. Then upon receipt of your response we will reactivate placement of your request in our database and resume our review. Address your written response to my attention at the above address.

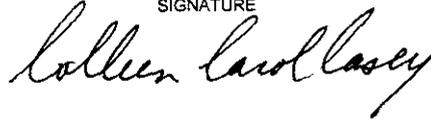

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT 630-829-9841.
