Stan,

In response to your phone call earlier today, I located where we provided to the NRC our commitment to provide updates on changes to the ISA Summary. The commitment was submitted in docketed letter AET-06-071 dated June 9, 2006 (applicable enclosure with draft change pages is attached). I believe your question is addressed on page 3-3 of the enclosure.

If you need additional information, please don't hesitate to contact me.
